MULTIPLE WAYS TO TEACH

- 1:1. Student with parent/caregiver
- CO-OP. Group of students (10 max.) with a parent leader.
- FAMILY CO-OP. Group of parents with their kids (10 max.).
- SMALL SCHOOL/COMMUNITY ORGANIZATION. Instructor with students (10 max.).

HANDS-ON ACTIVITIES

At the heart of every Cyber Civics lesson is hands-on, inquiry-based investigation that trains students to become TOMORROW'S DIGITAL LEADERS. As students move through levels they negotiate and create the SOCIAL NORMS that will guide their future online practices.

"As part of a small home school group we were so excited to find your program! It was easy to teach and we all learned just as much as our kids! Thank you so much for making it available at such a great rate for home school families."

Sheila Eckhart, Home School Parent

"Cyber Civics lays a strong foundation for healthy digital ethics, information and computer literacy so when children face inevitable, difficult choices online, they will make the right decisions."

Dr. Paul Helfrich, Teacher, Westside Waldorf School
